# 1. EXECUTIVE SUMMARY

---

## 1.1 INTRODUCTION

Balganga Degree College is situated at Sendul, Tehri Garhwal at the confluence of Balganga and Bhilangana River. College is named after Balganga. Balganga Shiksha Prasar Samiti is the mother institute of Balganga Degree College Sendul Kemar, Tehri Garhwal. Balganga Shiksha Prasar Samiti was established in 1966 – 67 Tehri Garhwal by Dr. Bachaspati Maithani a social activist

In the decade of 90s, in Bhilangana block, there were near about 20 intermediate colleges, which were providing the education up to 12th in this locality. But there was no higher educational institute in this area. After doing their inter students had to go other place for higher education which was very expensive. So most of the students were deprived from higher education as there was no institute for higher education in this area. Balganga Shiksha Prasar Samiti felt the need of area for higher education. After the long discussion, Samiti decided to open a degree college in this area. People of Village Sendul decided to donate land for college building. Balganga Degree College was established on 5th August 1991 at Sendul, Kemar, Tehri Garhwal by Dr. Bachaspati Maithani under the patronship of renowned environmentalist Shri Sunder Lal Bahuguna, to provide the facilities of higher education. It was inaugurated by then vice Chancellor of Hemwati Nandan Bahuguna Garhwal University Prof. S. Nautiyal. In 1991 only 18 students sought admission in B.A. First year. From 1991 to 1995 college ran privately without affiliation and recognition. In 1995 college got temporary affiliation and recognition in Arts from Hemwati Nandan Bahuguna Garhwal University Srinagar Garhwal. In 2002 college got temporary affiliation and recognition in Science from H.N.B. Garhwal University Srinagar Garhwal. In 2006, after a hunger strike by student union, college got permanent affiliation and recognition from H.N.B.G.U. Srinagar Garhwal and state government. Since then college is making steady progress. College has all facility with laboratory for all subjects, In present college have 10 subjects in Arts & Five subjects in Science – Each subject has 60 seats. The college celebrated its silver jubilee in 2016. In 2018 college got affiliation for P.G. courses.

### Vision

To impact futuristic qualitative education and plan to get the benefits of education from remote areas, as well as establish vocational courses for rural students and install students of teacher education staff who set global standards making our students educationally strong who turn shall improve the quality of the human race. A strong free minded and capable youth with social bonding.

### Mission

- The mission of the college is rural oriented higher education & classes related to vocational education should be conducted so that maximum number of students can get the benefit of quality of education.
- Rural oriented higher education via development & addendum, a core & compulsory subject which will prove to be purposeful and meaningful in their rural background.
- Sensitizing the rural girls towards society through extension education and making them an agent for social change.
- To raise outstanding citizens who bring value to society and contribute towards nation building.

## 1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

### Institutional Strength

- Staunch proponents Principal perpetrate Management and experienced and diligent faculty.
- Commendable University toppers who have excelled in academics.
- Emphasis on enlightenment of students through gender equality and value based education aimed at fostering informed global minds.
- Competitive, Lerner and friendly teachers and good academic environment.
- Holistic approach to development of students.
- Significance on community, and social work along with classroom activities.
- Student support system and mentoring process. Environment initiatives like organized lecture and awareness programme for sustainable environment. . Energy saving initiatives likes promoting the use of LEDs solar panel.
- Involvement of students in eco-friendly activities like planting trees and maintaining vertical gardens in the campus by the NSS volunteers and Namami Gange programme.
- A balanced mix of courses in two streams – Arts& Science
- Conferences, seminars, workshops and invited talks expose students to the best minds and evolving fields of research.
- Faculty members attend Faculty Development and Refresher programmes and are provided timely duty/ study leave/ sabbatical leave.
- State of the Art facilities for sports like a large cricket ground,
- A manager of student support services and welfare schemes for both staff members and students.
- Scholarships for poor & reserve category

### Institutional Weakness

- Financial difficulty due to deduction in grants by Government.
- The local management system that do not have any economic earning power added.
- Lesser autonomy in curriculum designing.
- Dwindling interest in Pure Sciences and arts subjects.
- poverty of students and rural region where very poor internet bandwidth.

### Institutional Opportunity

- Centrally located college campus for all rural villages in this region where UG science available.
- Maximum courses to provide and enhance skill of students.
- Most of the students who cannot go and afford cost of education.
- Flourishing all science Department caters to the needs of business community thriving in this industrial City.
- Special classes for all degree course for students preparing for competitive exams.

- Sports Training accessories to students striving for a career in sports.

### **Institutional Challenge**

- No Finance support& Despite the increase in the cost of education,giving skill based & employment oriented education
- Increase of private universities in the city.
- Loss and discontinuity in grants issued by the Government.
- 100% paperless office.
- Keeping pace with fast changing technology.
- Providing a three layered systematic learning process of pulling the students from their weak socioeconomic

## **1.3 CRITERIA WISE SUMMARY**

### **Curricular Aspects**

The Institution is affiliated to Hemwati Nandan Bahuguna University a Central university previously i.e. 2017-2021 and the curriculum prescribed by it is strictly adhered to& onwards 2021 it is affiliated to the Shri.Dev Suman university. The college adopts significant plans for effective execution of the curriculum. For executing academic activities, planning is done before beginning of each academic session. Efforts are made by the faculty members in scheming and establish curriculum at various levels.

Perhaps the only UG institute and no facility of research & internet the Institution has taken initiative to start value education, events for all round development of students. Value added courses like skills to the students. To improve teaching practices, teachers are encouraged to contribute their articles, research papers in national and international journals and to attend orientation and refresher courses.

The college is sensitive to cross cutting social issues and makes every effort to sensitize the students by periodically organizing seminars/ extension lectures on Gender Equality, Environment and Sustainability, Human Values and Professional Ethics. There are specified committees and clubs that make a collaborative effort to increase the level of awareness amongst the students.

Field trips and Industrial visits are arranged to add an empirical outcome to the understanding of the students. Case-studies, group discussions, inspection and tours provide hands-on experience.

Structured feedback on curriculum is sought from different stakeholders; college alumni and students' new strategies and programmes are devised to address the issues.

### **Teaching-learning and Evaluation**

The college admits students in compliance with norms and Reservation Policy of Hemwati Nandan Bahuguna University and State government. The Equal Opportunity Cell strives to provide an appropriate learning

environment for students with special needs.

The college conducts reformatory teaching and special attention is paid to weak learners'. For intellectual Stimulation, advanced learners are given projects and assignments. Experiential learning like field visits, group projects, participative learning techniques like group discussion, and Problem solving methodologies to ensure optimum learning outcomes. Interactive teaching is ensured through the usage of Power Point presentations and multimedia.

Career Counselling Cell and Mentor-Mentee groups deal with academic and stress related issues.

The students are evaluated and assessed on the basis of their performance in internal examination, attendance, assignments and presentations to ensure transparency. An Examination Board has been set up to provide an effective and transparent mechanism to deal with examination related grievances. The institution adheres to the academic calendar for the conduct best learning throughout the year

Learning outcomes academic and co-curricular fields through all programmes offered in the college are stated in college prospectus and on website.

Our students have also earned good positions in the universities. Some of our alumni are pursuing higher education and others are engaged in government and private sectors.

### **Research, Innovations and Extension**

Balganga Degree College recognises the importance of research in academic pursuit. To protect an interest in the Students and the faculty for the same, efforts are constantly made.

Despite being only an UG degree college and no place for research although various research articles, papers published and edited books have been contributed by our faculty members in various disciplines during last 5 years.

The college has a specified code of ethics in order to check malpractices and plagiarism in research and to ensure good quality publications.

Our college has been healthy towards socially responsible activities like social welfare outreach programmes. The college NSS unit, Red Ribbon Club, Namami Gange state programme,, provide a unique, Women empowerment cell Platform for the all round development of the students. Extension activities like street plays, rallies, visits to old People homes are conducted to create awareness about various issues of Swachhta and gender equity.

Excursion and industrial trips are organised to bridge the gap between theoretical and

Utilization application of knowledge.

## Infrastructure and Learning Resources

The Balganga Degree College has constantly been evolving and upgrading its infrastructure from time to time or every year by the help of public representatives, leaders & THDC. A sizable part of budget is allocated to improve and maintain its physical and academic facilities.

The college has 8320 Sq. Metre or 0.832 hectare own land With a campus extending over four private buildings - the Main Section, classrooms, the Arts& Science departments.

The college boasts of having spacious **7** classrooms , **1** Computer room, **1** broad library, a study room, **one Smart Classroom** , **4** Science Laboratories , **1 Anthropology laboratories, 1 Geography laboratory 1 drawing laboratories** departmental offices including NSS and Examination cell .The well stocked and partially digitalized library has spacious reading rooms.

The college offers State of the Art sports facilities like **1** huge Cricket Ground, , large playgrounds, Yoga to encourage self- expression among students and **one** Open Stage.

To meet the growing demands of technically skilled professionals in the modern competitive world, the college ensures that its faculty are facilitated with computers and Laptops with progression of Internet facility at a high speed leased line .7 CCTV cameras and one projector are also being used effectively in the campus. To obtain optimal utility, the infrastructure is maintained through, with the help of public representatives and official management proper record keeping and the services of exclusive staff for the purpose.

## Student Support and Progression

The college is committed to excel by extending academic, economic, professional and intellectual assistance to every student. Liberal concessions, Government and Non- Government scholarships are provided to needy or poor & reserved category students, meritorious students. Representation of students in the college is attested through their presence and participation in the Students' Council which is representative and provides a useful student-institution interface in the college and is behind the organisation of the student union and students welfare the holistic Cultural Council body which is the lead student body of the extracurricular activity(ECA) Committee of Bal Ganga Degree College and in tandem with other students' cultural societies, is instrumental for the functioning of societies such as The Students' Union is the apex academic student representative body of the college formed to work for the welfare of students by coordinating at the University level to actively organize academic and cocurricular events; it is democratically elected and ensures sustenance of a feedback-based mechanism for overall improved infrastructural and academic growth of the institution. Additionally, numerous

The faculty inspire the students to take up valuatve employment after graduation. As long as stay in the institution, the faculty trains the students in various aspects leading to employment. Students are preparing to the corporate way of life through attentive Personality Development Programs focusing on areas as diverse as providing, Soft Skills Development, group energetic and career planning. The college has a very active faculty

which constantly sends updates to the students and all concerned stakeholders about forthcoming placements, government jobs & company profiles and also placement updates. The college has a student union made by result of an election. The student union organizes social initiatives, intercollegiate meet, cultural meet and other community initiatives. Alumni further provide incentivized platforms to student initiatives related to environmental protection, alumni connect and student outreach. Associations such as Internal Complaints Committee and related mechanisms ensure protection of students' interests in matters related to general issues of concern.

## **Governance, Leadership and Management**

The quality and rigor of academic output of Bal Ganga Degree College comes from its well-organized structure comprising at its headship; an administratively astute Governing Body (led by Chairman, Treasurer and other members), college administration led by the Principal and members of the teaching and non-teaching staff. The IQAC (the nodal committee for quality implementation), in collaboration with various Staff Council committees, distant the quality of performance of programmes, policies and pedagogical content as well as teacher-student interface. Staff council committees include Academic preparations, Alumni, Annual Activity, Attendance, ECA, regulation Discipline, and Examination amongst others. This well-structured system is supported by the vision of the institution which is testified through its numerous commitments of initiating the proposal for five new science departments in its Silver Jubilee Year (2016) some of these being BSc in Physics, Mathematics, Chemistry Zoology, Botany, and in 2021 BA Economics, History, Drawing, Anthropology, Political Science in grant in aid. In addition to the above structure; the commitment of the institution towards maintenance of quality and output is testified through its numerous efforts: The IQAC is to develop an all-inclusive quality culture in the college by channelling and synergizing the efforts of all constituent stakeholders of the college and work towards academic excellence and progress this includes policy formulation, result analysis, organisations of seminars, conferences and steering and leading institutional and teachers' efforts and initiatives. The people and staff-friendly attitude of the institution is evident in the college taking the initiative to be the Quarantine Centre (2020) during the pandemic and its stimulate of efforts for faculty members, such as provision of child care leave, provision of sabbatical and study leave, disbursement of medical expenses etc. The institutional system is further organised and run on a system of reviews, performance appraisal, student feedback and an unflinching commitment to quality and hard-work.

## **Institutional Values and Best Practices**

The college efforts are made to keep the campus green, clean & eco-friendly to the extent possible. All attempts are made to conserve electricity used in the campus. Rain water harvesting is done and routing to the well in the campus. The one most best practice of college every year planted many trees in the forest & other villages with the collaborations of forest departments to keep the environment clean, Forest department appreciated college work about safety of greenery and wild animal. The Namami Gange & NSS unit of college is the major means of expending. Innovations introduced in the institution include instead of poor network bandwidth use of e-learning in the curriculum through Business Knowledge, students are sent for branch experience for the subject of Bank Management, the Out Bound Training Experience, and rural market visit, online tests, projects in lab, surprise test, open book test, New Method of Assessment of Student Assignments and remedial classes best

practices are explained.

**Institutional preparedness for NEP**

1. Multidisciplinary/interdisciplinary:	The College is an affiliated college, follows the all curriculum prescribed by the University. It is compulsory to each student to study at least one interdisciplinary / Multidisciplinary course to
-----------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

	<p>complete their degree. The college encourage interdisciplinary amidst its students through various departments. The college has been offering a number of certificates/adds on/value-based courses. In order to develop the all-round capacities of the students, the college is preparing to include multidisciplinary subjects as per the NEP-2020. To preservation in view the problems faced by the rural college students, the college is planning to set up vocational courses. The objective is to make the students furnished, they don't need to run away on Government jobs but instead pave a way towards entrepreneur&amp; self-employment. .</p>
2. Academic bank of credits (ABC):	<p>Our institution has yet not registered under the ABC because of SDS University Uttarakhand under which our institution is affiliated. For the information purpose, own academic council has been formed by the institute. UG course choice based credit system offered by university is already implemented in our college. The pedagogical approach of the institution is student's centric where the faculties' approaches are constructive analysis-based, concerted reflective, integrable. Summative and Formative assessments and tasks are used to assess the Students learning outcome</p>
3. Skill development:	<p>In order to nourish the vocational education and soft skill of students institute provides Value Added Certificate courses in various arts subjects like English, Hindi, sociology ,geography ,drawing, and chemistry, zoology, botany, physics, mathematics from the science. The courses helps in polishing, promoting, and fine-tuning the skills of students to cope with the needs of emerging social and industrial opportunities The institution promotes vocational education and soft skill expansion of students through various initiation like the Institutional Innovation Council formed by institute.</p>
4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):	<p>The adoption of Indian languages, the use of students' native language is not restricted, in order to enhance student come from both English and Hindi background. So, the teacher assists in both English and Hindi Mode. The Courses B.A, B.Sc. are taught in bilingual Mode. To conserve &amp; promote Indian languages, antique traditional knowledge, arts, culture and heritage many celebratory days are celebrated, Educational tour and many social</p>

	activities are done by NSS Unit, red ribbon club, Namami Gange in order to spread awareness for many social issues.
5. Focus on Outcome based education (OBE):	The college already follows outcome-based education with lesson plan manual which clearly states, course outcome, program specific outcome and program outcome.. Students are made aware of the various course outcome, and program-specific result through the modules and orientation program. It has been implemented such as seminar, assignment, problem solving, encouragement remedial classes are provided to slow learners.
6. Distance education/online education:	The College is also preparing itself for distance learning and the various technological tools used by the faculties especially during the pandemic lockdown are Teachmint Google Classroom, Zoom, moodle and Google meet.

## 4. Quality Indicator Framework(QIF)

### Criterion 1 - Curricular Aspects

#### 1.1 Curricular Planning and Implementation

##### 1.1.1

**The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment**

**Response:**

The College previously is affiliated to the HNB Garhwal University & SDS Uttarakhand University, The Annual system was replaced by Semester system by the HNB University from the academic session 2015-16. In order of priority to ensure the successful performance and timely transport of the curriculum as prescribed by the University, the institution has accomplished the following action in a planned method.

1. Syllabus of the complete elective subjects put forward in the College & all departments, has been uploaded in the College website.
2. The topic of the syllabus is spread to the concerned HOD of the department.
3. Copy of the assign topics is given to the faculties and the same is uploaded in the College websites.
4. The both arts and science stream time table is prepared by each department based on subjects and uploaded to college website.
5. Lesson plans .&departmental weekly report are also prepared and submitted to IQAC cell.

The HOD of the all department conducts the implementation of the scheme by holding departmental meetings at consistently , so that discuss the progress and implementation of the curriculum. actions are taken as when required.

The schedule &Academic calendar are also prepared separately for Arts& Science streams, to make sure the proper planning and reflection of all the programs.

The entire faculty members are inspire the students to use ICT for the productive implementation of the program.

As section of the curriculum implementation, CIE system is furnished such as, internal exam, assignments, Guest Lectures by eminent speakers are also organised.

Academic trips are undertaken as per the demand of the curriculum. Remedial classes are also arranged to enhance the presentation of the students in the competitive examinations.

The college is affiliated to HNB Garhwal & SDS utterakhand university .college follows the all instruction & academic calendar of the University. The course structure in the Arts &Science is divided into 6(six) semesters. The University has given a fixed timeline for the completion of the all semester & SDS University give three years for the completion. It is necessary the departments concerned to abide

by the defined curriculum as University syllabus.

It is directed that the departments complete the procedure of briefing syllabus given time, the students are taught not only the subject matter but are prepared on a daily basis to turn them into well circulated individuals. In addition to all end of syllabus, continuous observation and evaluation is acquired by the College by way of implementing CIE or regular Evaluation. Well defined concepts and identifying systems are followed and scored accordingly & it's reflected in their final score.

As part of CIE, presentations in the classrooms, seminar presentations, discussions etc are some methods adopted by the college, since the University has given some workability in its proceed towards for conduct of CIE. Management of Soft skill programs and personality development programs are also conducted. Teaching on a daily basis by way of perception their strain and weaknesses are also labelled from time to time to resolve the difficulties.

### 1.3 Curriculum Enrichment

#### 1.3.1

#### **Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

##### **Response:**

The cross cutting issues such as Gender, environmental feasible, human values and professional ethics are well racially mixed in to the curriculum of the affiliating university: The affiliating university HNB has introduced a compulsory subject Environmental Studies & Environmental science in the Programs such as BA, BSC first & second semester & SDS university in the second year. The Botany, zoology, Geography here is a unit containing topics relating to the Global environmental problems such as soil, water, air pollution, ozone layer depletion, Climate change, global warming etc. In a Political Science has a unit in the syllabus on Human rights to mark the issues. In Political science, History, Sociology there are topics related to Human rights and Gender issues. In addition to above, the college also makes its efforts to address the cross cutting issues such as Gender, environmental and sustainability, human values and professional ethics through different Programs and activities, such as: The college gives equal rights and opportunities, freedom of speech and utterance in various circumstances of the institution, nevertheless of gender, religion, sex, background. Thinking and views of all the component individuals/groups are heard before making decisions. Internal & companion problems are solved through open discussions. The students and public are affected on ignited environmental issues through seminars, plantation programmes etc. organised by the teachers, students' body and NSS on Harela which is local festival for tree plantation, World Environment day. The NSS & Namami Gange unit of the College organise Cleaning drive in the campus, Public places in conformity with the mission, Namami Gange, Swachh Bharat where the teacher and the students takes part actively. Teachers while teaching in the classroom tries to comprise the issues of gender as and when situation arise. All the teaching fraternity are aware and abide by the UGC guidelines on the code of professional ethics. The college also uphold the professional ethics by organising programs.

**2.2 Student Teacher Ratio****2.2.1**

**Student – Full time Teacher Ratio**  
(Data for the latest completed academic year)

**Response:** 53.13

**2.3 Teaching- Learning Process****2.3.1**

**Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences using ICT tools**

**Response:**

The teaching learning processes settle around the requirement, interest and potential of students. The faculty members of Bal Ganga College make constant and deliberate efforts to qualify its students to understand their potential and ignite as leaders and responsible youth of society. The institution focuses on the student-centric methods of enriching lifelong learning adeptness of students. Teachers make efforts in giving the learning activity more efficient, interactive by adopting the below-noted student-centric methods.

**Experiential Learning:** Institution located in the rural area hence it's very difficult to promotes experiential learning by facilitating the student. Instead of this participation of students in study tours, local field-trips, various workshops and seminars, etc. organized in and outside the college. The departments conduct programs to support students in their experiential learning. Experimental method is used in science subjects to familiarize the students with the facts individually. Students verify the facts with the help of experiments. Students take interest through experiential learning.

**Participative Learning:** The faculty members insure the learning participative to students through

which students to participate in group discussions to expose their & potential, knowledge. The students internal seminars are organized by college where in the topics are presented by the students discussions of question and answer sessions are done which promotes the students and ignite their learning experience.

**Problem-solving methods:** The College inspire the students to adopt and develop problem-solving skills. Institution provide students charge that protect in them problem solving expertness, they receive practical experience of compromise difficult situations and are trained as a competent and skilled individuals.

**Regular Lecture method:** This ordinary method is commonly adopted by all the faculties. This method smooth the teacher to interpret, describe the content for better understanding of the subject by the learners. Black White board and marker pen, generally adopted by all the teachers. It is very useful method by which eye to eye interaction with learners.

**Project/Assignments based method:** The project works & assignment restoring student's interest on the topic and give student an opportunities of freedom of free exchange of different outlook. The entire department gives the assignment to the students as per the necessity of syllabus.

**ICT Enabled Teaching& E-Learning:** The institution encourages the conduct of regular class by the use of LCD projectors. The faculty members use Power Point Presentations of class lectures & those students cannot attend regular classes make learning more interesting with videos lecture in different online platform and effective for the students. Different ICT tools are use by the faculty members for effecting learning.

**Team & Group Learning Method:** The institution inspire the students to study in teams by deferent activity like quiz ,discussion on topics etc for building positive interpersonal relationships, and think critically to their group as well as themselves.

## 2.5 Evaluation Process and Reforms

### 2.5.1

**Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient**

**Response:**

Internal assessment was started in the year 2015-2016 as part of semester system where 30% weight age is allotted for internal assessment. Prior to the conduct of internal assessment , the dates and time is notified as per the Academic Calendar and in some departments assignments were given to the students for the same purposes .The marks of internal test and assignments are displayed on the Notice Board .Assignment papers and answer scripts are being shown to the students for further improvement. The

college affiliation from HNB&SDS University, the institute follows the evaluation mode of both university till now, to access the academic performance of the students on the continuation basis: As per HNB regulation. Two internal exams are conducted for continuous assessment in theory as well as lab subject and the best performance out of two exams is considered. Marks allotted for internal exam is 30 out of which 5 marks is given for regularity in attendance, sincerity, submission of assignment on time etc. For science. The schedule of internal assessment is communicated to students accordingly. The internal exams timetable is displayed on the notice board ten day before the commencement of internal exams. The questions for internal assessment are framed by the faculty of the concern subjects. This encompasses the inclusion of equal number of questions from each unit covering the entire topic. For Science stream, internal practical examination is conducted department wise Marks allotted for practical is 30 separate from the theory of same subject marks Evaluation of practical examination is done based on different parameters, like regularity in attendance, performance, assignments, small one week project ,power point presentation etc, practical records and viva-voce Marks of the internal exams are displayed on the Departmental notice board after a week. Copies of the same are maintained by the examination cell & department for any reference. Students are allowed to go through the valued answer scripts of internal exams, where doubts regarding evaluation are cleared thereof. Students performance in the internal assessment enables the faculty to identify slow and advance learners, based on which students are encouraged to improve their performance in the future by counselling/mentoring. Assignments and seminars are also conducted based on the syllabus, which are evaluated by the respective subject teachers

## 2.6 Student Performance and Learning Outcomes

### 2.6.1

**Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website and attainment of POs and COs are evaluated**

#### Response:

College is affiliated to HNB Garhwal University & SDS University and it follows the programme wise curriculum planned by the university.

#### UG in Science:

- Ability to critical thinking in understanding the concepts in every aspect of science. Ability to finalizes the results and apply them in various problems.
- Develop a sense of research to conclude cause-and-effect relationships. Create, select, and apply relevant techniques, assets, and modern science and IT tools.

- Ability to work solely and do complete study of various areas of courses.
- Ability to communicate various concepts of B.Sc. programme successfully using examples and their computational visualizations.
- Ability to think, adopt knowledge and skills through logical concept and to inculcate the habit of self-learning.
- It provides learners to get theoretical and practical exposure in the technical sector which includes electronics, optics and Environment .
- Develops communication skills and build confidence to face the challenges of the corporate world.
- Amplify the capability of decision making at personal and executive levels. Supplement their capacities in varied areas of science and industry aiming towards holistic development of learners.

**UG in Arts:** Developing intellectual, unique and professional abilities through effective communicative skills; certify standard of behavioural attitude through literary

To reflect a general understanding of the concepts and principles of selected areas of the study thus providing students an opportunity to decide the specialization fields for making professional choices.

- To augment the ability to describe and comparative the roles, ethical implications of ideas, texts, social movements and contemporary situations.

The evaluation done by the college for the attainment of Programme outcome, Programme specific outcomes and course outcomes is carried out in two methods,

#### 1-Straight Method: Internal Assessment:

- Two internal exams are conducted for continuous assessment in theory & lab subject, where the best performance out of two exams is considered.
- The internal assessment is carried out by each department. Laboratory performance (For Science Students):
- Individual and team performance is also evaluated during their practical hours.
- For practical examinations, the assessment is done by the external experts appointed by the university. It is done through semester attentiveness viva voce and their practical records.
- Project Work and Assignments: Project work and assignments are also given to the students. Assessment is done based on their completion of the project and assignment in the stipulated time and the quality of their work done.
- End Semester Exam: At the end of each semester, university conducts examinations and based on the result published by university the course outcomes are measured.

#### Indirect Method: Feedback-

- Feedback mechanism is used to improve teaching learning process in outcome based education. The college collects feedback from students and teachers which is an important method of measuring attainment with objectives of identifying the attainment level of students in terms of programme, programme specific and course outcomes and to understand the impact of teaching learning process.
- Extracurricular activities: The participation of students in extracurricular activities such as cultural activities, sports, NSS, RRC Namami Gange, etc.,. Their performance in the various extracurricular events provides all-round manifestation of programme

### 3.2 Innovation Ecosystem

#### 3.2.1

**Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

**Response:**

Bal Ganga Degree Collage has created an ecosystem for Research and Innovation by

- (i) recruiting and developing desirable human resource which are needed
- (ii) taking initiative for creation and spreading of knowledge
- (iii) establishing state of the creative infrastructure

The academic and research expertise of the bal ganga degree collage continually contribute to the Innovation of Ecosystem through cracking multiple solutions and suggestion for solving critical problems, and motivating students to excel in academics .

ICT Tools: 1. Projectors- There are projectors available in different departments 2. Desktop and Laptops-

Arranged at Computer Lab and Faculty cabins in the campus. 3. Printers- They are installed at Labs and all prominent places. 4. Photocopier machines - Multifunction printers are available at all prominent places in the institute. There are three photostat machines available in campus. 5. Scanners- Multifunction printers are available at all prominent places. 6. Seminar Rooms- one seminar halls . 7. Auditorium- It is digitally equipped with mike, projector, cameras and computer system. 8. Online Classes through teach mints , Google Classroom .

The project work stimulate student's interest on the subject and provide student an opportunities of freedom of thoughts and free exchange of different views

field study :A field study is a general method for collecting data about users, user needs, and product requirements that involves observation and interviewing. Data are collected about task flows, inefficiencies, and the organizational and physical environments of users.

The faculty members make learning interactive with students by motivating student participation in group discussion, role-play, subject quiz, news analysis, educational games, discussion and questions and answers on current affairs, etc

general physical facilities provided

### 3.4 Extension Activities

#### 3.4.1

**Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.**

**Response:**

Bal Ganga Degree College is the oldest and & only on college in entire Ghansali Bhilangana block Tehri Uttarakhand. The college has earned huge coin reputation in this part of the state for its social works in various fields. The college has several platforms such as, Anti drug unit, Women Cell, NSS, Alumni Association—that organise numerous social service activities and sensitisation through programme for students. The College NSS Unit has taken up 20 activities/programmes during the last five years As this college is located in the heart of nature, amidst hills and dense forests, World Environment Day and and local festival “Harela” Tree Plantation programmes are held on a regular basis in a best practice . Several cleaning drive programmes in local area Bhilangana River, the Namami Gange were held as part of “Swachhta Pakhwada” Programme. Such programmes were not only held in the college campus, but were also carried out in urban markets, rural villages and especially in and around several riverbeds. Several Door to door awareness for vaccination during COVID-19 for programmes are organised on a regular basis. As there are many cases of landslides and sudden floods in this region, the college NSS unit organises several camps for “Disaster management” and various awareness programme throughout the year on a regular basis within and outside the campus, NSS unit organises several trekking camps, awareness programmes, cleaning drive, door to door & awareness campaign for cleanliness in its adopted villages. All national festival celebrated by NSS unit .NSS volunteers shared Uttarakhand culture with other state through National Integration Camp in Baroda Gujarat in 2019-20, Patiyala Punjab & Bagpat in 2021-22 also awarded the best unit of the parent university , in the year 2021-22. The college women’s cell is also very active with their social service works.

We believe that all these activities sensitise the students and stimulate them to come forward towards selfless service to the society, with the enthusiasm and persistent services of the Programme Officers & coordinators. Apart from the students, these programmes have witnessed the inclusion and active participation of the locals, who have come forward with a helping hand. These programmes help to develop the characteristic of the students’ leadership, thereby nurture the growth of a responsible citizen at foresight.

## 5.4 Alumni Engagement

### 5.4.1

**There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services**

**Response:**

There is no regestered alumni but the ones which are responsible provide as much as possible ,which includes equipements , transport facilities ,transport fair .They also come for regular inspection and checkings because the collage is situated in a very rural area due which students have to face multiple problems related to transport ,internet network, infrastructure .

--

## Criterion 6 - Governance, Leadership and Management

### 6.1 Institutional Vision and Leadership

#### 6.1.1

**The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance**

**Response:**

**VISION:**

To impact futuristic qualitative education and plan to get the benefits of education from remote areas, as well as establish vocational courses for rural students and install students of teacher education staff who set global standards making our students educationally strong who turn shall improve the quality of the human race A strong free minded and capable youth with social bonding.

**MISSION:**

- The mission of the college is rural oriented higher education & classes related to vocational education should be conducted so that maximum number of students can get the benefit of quality of education.
- Rural oriented higher education via development & addendum, a core & compulsory subject which will prove to be purposeful and meaningful in their rural background.
- Sensitizing the rural girls towards society through extension education and making them an agent for social change.
- To raise outstanding citizens who bring value to society and contribute towards nation building.

Bal Ganga Degree College occupies a distinctive position in the history of education. For many years it is the only institution to provide opportunities in performance of knowledge and education. The College emerged as a result of the time honoured vision of eminent public leaders. This College serves mostly to the sensitizing rural girl & of the under-privileged students. With value-based education being its prime goal, the college nurtures its students to explore their actual potentials, thereby moulding them for challenging future. Students are given opportunities to join in various co-curricular activities with a target to bring out their best. Teachers are also pursuing with various opportunities to develop their competence. The College is a semi government run institution. Plans and policies in the college are implemented by the management & Principal, Academic Council consisting of Heads of Departments, teachers and the students' synchronously. Various committees like Discipline, Examination, Admission, Purchase, SC/ST, Vigilance and committees in the college add to the administrative management of the institution. Apart from this, general body meeting are mandated taking decision for pursuance of important meetings, which are also attended by the Chairman of the College Advisory Committee whenever necessary. For energetic functioning of the college, the teaching as well as the non-teaching staff of the institution are monitored with regard to their respective roles and responsibilities. This is further facilitated by IQAC, where areas requiring attention are highlighted with the aim of improvement through quality-based action. The heads of various departments ensure that classes are taken regularly, and syllabus is Completed on time. The College also organizes talks, seminars, quizzes, workshops from

time to time. Departmental seminars, field trips, and exposure trips are also conducted by the respective departments and helps to broaden the knowledge. In Addition to that, students who require extra attention are also given remedial classes. In line with this vision and mission, the governance of the institution has a vision to embark Management Information System . The system will carry forward the works in a digital platform while the leg network. E-library progress will also be an important feature by integrating the library software which is currently not in use. The construction of E-library work in progression.

## 6.2 Strategy Development and Deployment

### 6.2.1

**The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, deployment of institutional Strategic/ perspective/development plan etc**

#### **Response:**

The institution adopted the participative management system with the Principal as the final authority in internal matters of the college. The Principal along with the faculty members and office staff work in tandem for the implementation of the plans and policy of the college. As IQAC is there in the college, it works closely with the faculty members and plan out the best possible strategies for the college. The Heads of Departments which form the academic council along with the Principal play a vital role in decision making process. The faculty are involved in management of the college through different committees as coordinators, conveners and members of various committees. The feedback received from departmental meetings, general staff meetings, academic council meeting, and various committees meetings, are taken into consideration for policy decisions of the college. With the objective of operational autonomy to each of the department , the college have allotted separate department rooms and are provided with laptop/desktop/printer for departmental work. Internal work of the departments like internal test / assignments, attendance , activities etc are managed by each of the department itself.. Thus, all the departments are given same amount of autonomy in their day to day functioning but however they are expected to adhere to the guidelines of the university and the college. The College practises decentralisation and participative management by giving powers and functions to different committees such as 1.Admission Committee 2.Examination Committee 3.Library Committee 4. (Anti-Ragging Cell) 5. Womens Cell Committee 6 Vigilance Committee 7.Election Committee for students union election 8.Alumni Association. 9. Grievance Redressal Cell. 10 Green campus 11.Councelling Cell 12.IQAC The committees are vested upon with autonomous responsibility and function being accountable to the head of the Institution

The College was established on 1990 to meet the aspirations of the youth of the region for attaining higher education. Bal Ganga College is under the Education Department which is headed by Minister of Education; Government of Uttarakhand the Principal Secretary leads the Department with the Secretary under him and the Director of Higher Education. Under the Director, we have Additional Director, Joint Director, Deputy Director and the Principal. The Principal is the head of college and worked under the management administration & under the government ruled of the College assisted by the, IQAC, Teaching and the non-teaching staff. The student's body institution however exists independently for the welfare of the students and is democratically elected by the students themselves.

**Recruitment:** Recruitment of teaching faculty is done by the State recruitment board Recruitment of office staff is done by the District Selection Board.

**Promotional policies:** Promotion of teaching faculties is done through seniority basis by the government. UGC rules and regulations are followed for promotion to higher stages.

**The Uttarakhand Higher Education Service rules :-**All duly appointed employees follow the service rules of the Government of Uttarakhand.

**Grievance Redressal mechanism:** Students' grievances are addressed in the students' grievance cell.

## 6.4 Financial Management and Resource Mobilization

**6.4.1**

**Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)**

**Response:**

As the Institution is a Semi Government institution, the Salary financial Grants are provided by the State Government, which is looked after by the Head of the institution i.e., the Principal along with the Head of the Office staff for the proper maintenance and utilisation of the funds. Due to lack of government

funding for development, the institution mobilise funds by taking development fees and miscellaneous fees. The institution mobilises funds to the fees taken from the students at the time of admission. The fee structure at the time of admission is taken as follows:

As a Semi Government Institution, internal audits are conducted on regular basis by the internal audit committee as well as Department of Audits under the Government of Uttarakhand. The Government appointed Auditor, along with his audit team conducts and verifies the various documents relating to sanction and utilisation of recurring & non recurring funds under various schemes. Utilisation certificates for various grants received from State Governments, UGC and others are provided by the office and submitted to the concerned authorities from time to time.

## 6.5 Internal Quality Assurance System

### 6.5.1

**Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities**

#### Response:

As per the guidelines of the National Assessment and Accreditation Council (NAAC) the Internal Quality Assurance Cell (IQAC) of Bal Ganga Degree College was constituted on July, 2017. Its members were duly selected for a period of two years. The objective of the IQAC is:

To develop a quality system for responsive , consistent, and incentive programmed action to improve the academic and administrative performance of the institution and To promote measures for institutional academic functioning towards quality enhancement. With this objective in mind, the members access the progress on a constant basis on the various programmes of the departments and other committees. The methods as required are as follows:-

**PRESERVATION OF TEACHER'S ATTENDANCE** The College has been giving importance on the attendance of both the faculty as well as the students. This is done by maintenance of attendance register of in each department. The importance of maintaining teacher's attendance in our institutions can be referring below:

1. It helps us to monitor and to maintain regularity of teachers attending the college.
2. It helps to check that no classes remain disturb because of teacher's absence.
3. It helps the teacher's to maintain sincerit ,punctuality.

4. Maintaining of attendance helps to encourage the teacher for better performance.
5. It allows us to calculate total number of leaves and to track down the teacher's total number of working days and hours with much ease.
6. It also helps the teachers to potential teacher's work credibility and work history.
7. Maintaining of attendance helps the institution to intensify quality education as a result of teacher's engagement in their workforce.
8. Maintaining of attendance has helped the institution to develop work culture among the teachers, thus regular classes, which further increases the performance of the students that helps us to bring better results for the institution.
9. We also see that maintaining attendance enhance teacher's competency, sincerity and transparency which have helped to build up healthy environment in the institution.

**Monthly departmental meeting** Team meetings are valuable for keeping team informed of important departmental information. The College conducts meetings in their own respective department at least once in a while where faculty sit together for discussions, exchange of thoughts, ideas etc.,. The Head of Department usually conducts meetings highlighting the plans of action that require fulfilment in during course. Topics of discussion usually consists of teaching, & learning student counselling, curriculum execution and future prospects of the department including faculty needs and support. Copies of the meeting are maintained well and submitted to the IQAC. Monthly teachers meetings help the faculty come together to discuss issues, to improve communication and coordination, for a healthy working environment. This in turn enables cooperation, that put forward in fruitful plan of action among the faculty concerning the college. As a result of regular meeting the faculty in the department keeps everybody informed and provides opportunities for performance feedback. This helps promote matters concerning the well being of both students and faculty alike.

## Criterion 7 - Institutional Values and Best Practices

### 7.1 Institutional Values and Social Responsibilities

#### 7.1.1

**Measures initiated by the Institution for the promotion of gender equity and Institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years**

#### **Response:**

The college believes in responsible individuals attuned towards fulfilling their obligations towards nation their country. In this way , many national and international events are celebrated by the college remind the students and employees of the rich legacy of our nation as well as being aware of the struggle that led us to enjoy our freedom today. From thought-provoking and insightful lectures, cultural programme quizzes and essay competitions speech competition fascinating talks, the institution celebrates these events by grounding Students and employees in a gesture of democratic participation.

**Independence Day on 15 August** unfurls our vision for the future with the flag-hoisting ceremony while also ensuring that we continue to remember the freedom fighter struggle and the triumphs of all those who made this freedom possible. Similarly,

**Republic Day on 26 January** marks another celebration where we pledge to uphold the sovereign status of our nation. Both of these days are an occasion to feel grateful towards our leaders and the common man's spirit to not give up in the face of odds.

**International Women's Day held on 8 March** each year is one of the significant gestures for recognizing, celebrating achievements, diverse dreams and desires of women across the world.

The college has sought to create an environment where spectacular women are remembered for the legacies they have left us. More importantly, the college through various talks and quizzes seek to give voice to all women who in their respective ways are creating a new world for all of us. The institution is committed towards re-presentation of women outside of the patriarchal ideology by showcasing how ordinary women from all walks of life have been instrumental in enforcing change.

Swami Vivekananda Memorial Lecture organized by the institution on 12 January offers us to review our knowledge of our ancient philosophical value systems. The lectures organized to commemorate Swahili's varied achievements by the college seeks to encourage the students to build their nation by working on themselves.

Sardar Patel's Birth Anniversary on 31 October is often celebrated as an event of unifying the vision of India in both material and abstract terms. The run for unity programme provides ample opportunity to students and employees to participate in modern-day mythmaking of India.

Beti Bachao-Beti Padhao campaign celebrated in 2019 by the College underscored the institution's belief in furthering the interest of the female population via the means of

## 7.2 Best Practices

### 7.2.1

**Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual**

**Response:**

The college efforts are made to keep the campus green, clean & eco-friendly to the extent possible. All attempts are made to conserve electricity used in the campus. Rain water harvesting is done and routing to the well in the campus. The one most best practice of college every year planted many trees in the forest & other villages with the collaborations of forest departments to keep the environment clean, Forest department appreciated college work about safety of greenery and wild animal. The Namami Gange & NSS unit of college is the major means of expending. Innovations introduced in the institution include instead of poor network bandwidth use of e-learning in the curriculum through Business Knowledge, students are sent for branch experience for the subject of Bank Management, the Out Bound Training Experience, and rural market visit, online tests, projects in lab, surprise test, open book test, New Method of Assessment of Student Assignments and remedial classes best practices are explained.

The environmental management criteria for the Social Promotion of Culture (Social Promotion) are reflected in this Guide of Good Environmental Practices. Bal ganga degree college play a vital role in the control environmental pollution Social Promotion meets all requirements of control and transparency in the exercise of its mission and has signed the Code of Conduct. Bal ganga college play this role through pledging to promote a type of development respectful of the environment. Their actions should not adversely affect the environment and promote the conservation of the natural surroundings and the sustainable use of resources. In addition to complying with current environmental law enactment and ensuring that the minimises the environmental impacts of the activities carried out. Among the Social Promotion activities by the students with collaboration of NSS unit/Namami Gange team of the college are:

- A model of development based on culture & the person, with special attention to
- Education, engine of human substances and social protagonist.
- Co-responsibility, coordination with local partners, maintaining a shared work.
- Planning understanding cooperation as an associated and participatory.
- A professionalised intervention model, materialised in a serious,

. Good Environmental Practices by our college are defined as those actions that seek to reduce the negative environmental impact caused by activities and processes through changes and improvements in the organisation and development of actions. College makes some barrio to control environmental issue.

### **Use of Solar Lights.**

**Settlements of Organic and Inorganic Waste:** the institutional environmental management criteria of Social Promotion, as recommended by the tool of indicators of transparency and good governance for social action. The implementation of Good Environmental Practices is assumed by the Foundation and understood as a whole, committing itself to continuous improvement in its application. From Social Promotion, and for satisfaction of clean campus clean city college organised every year cleanness champion in market village and educate to all by drama ,Nukkad natak, in the public place and non degradable waste took hand over to gram panchayat,ana organic waste recycled and used as a fertilizer. This Guide and its implementation are considered as a tool to improve the transparency, competitiveness and integral development of the beneficiaries in good practice.

### **Tree Plantation and Maintenance.**

The usefulness of the Good Practices is well proven and lies in its low cost and simplicity of implementation, college planted tree not only in the campus also planted in the forest by the college students two times in a year plantation by which well fast results obtained as a dense forest in around us and green campus. Therefore, this Guide of Good Environmental Practices is the agglutinative document that collects the institutional environmental management criteria of Social Promotion as recommended by the tool of indicators of transparency and good governance for social action.

## 7.3 Institutional Distinctiveness

### 7.3.1

**Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words**

**Response:**

The performance of the Bal ganga institution in one area distinctive to its vision: The college is a coeducational institution situated in an economically backward and rural area of Tehri district. The college offers undergraduate programmes both in Arts and Science stream to the aspiring youths of the district. At present there are fifteen departments which offer simple science and art courses only. Number of rural students (Girls and Boys) takes admission in different courses offered by the college and the college makes it sure to provide all the basic need-based facilities to students as per the direction of the University and the State Government. The College always aspires to help poor and needy students so that they can overcome their academic hurdles, as an initiative the college has established a BOOK BANK wherefrom poor and needy students can avail free books on yearly basis. The college also undertakes several initiatives to sensitize students to gender equity, energy conservation measures, inclusiveness, human values etc. Keeping all these in view, the college organizes several programmes such as lectures, popular talks, workshops, seminars, sports competition, activities under NSS and NCC units, Extension Activity Committee of the college at a regular interval in the college campus as well as in the local areas. The college always ensures participation of students as well as of the local people in such programmes of the college. So that students and local people can be sensitized to such issues. Besides, local people are allowed to use all the avail facilities of the college such as the playground for running, walking and sports activities for their physical development, the college big stage for cultural activities and conferences etc. Therefore, it can be said that the college provides quality education and opportunities to students as well as to local people for their intellectual and emotional growth through different programmes which are relevant and responsive to the needs of the rural and educationally backward society of this region of the state. The performance of the institution in one area distinctive to its priority: College gives priority to promote education to poor students of rural background. The students of the locality can't afford their education in the urban colleges, due to several reasons basically

financial. So, our college provides academic environment to those aspiring students of the rural area so that they can move ahead in their academic endeavour. Keeping holistic development of the students in view, the college encourage them to participate in extracurricular activities (NSS, cultural, literary and sports) so that they cop up with students of the main stream. Besides, the college also organizes several talks, seminars, workshops etc., to apprise students to the burning national and international issues.
